

Beehive Woodland Lakes will be closed with immediate effect, until further notice. Our priority is keeping our staff, you and your family safe in these difficult times.

Given the continued escalation of the virus and in line with latest Government advice the time has now come to close both the campsite and fishing lakes, with immediate effect.

We would ask you only to call if you need to. We will work through bookings and get back to you as soon as we possibly can.

Booking from now until the end of April

If you have a booking on our system between now and the end of April, PLEASE DO NOT TRAVEL. There is no need to call us. We will contact you to rearrange your booking for later in the year. If you are currently on site, our staff will provide assistance if you need it.

Bookings in May

We are continually monitoring the situation and will make a statement on May bookings as soon as the situation becomes clear.

Bookings from June Onwards

We are continually monitoring the situation and will make a statement on June bookings as soon as the situation becomes clear.
